

## Tips for Parents: Space Camp

*Children have a natural curiosity about their world. Science helps them understand what they're observing. Encourage your child's interest in science by sending them to a camp that's out of this world—Space Camp.*

**For more information, call or write:**

U.S. Space Camp  
One Tranquility Base  
Huntsville, AL 35807-7015  
(800) 637-7223
